RE: [REDACTED]

Dear Mason Bowman,

Recently the Internal Revenue Service filed a Notices of Federal Tax Liens against the property of the above referenced taxpayer. Those notices are no longer in effect. We issued the Withdrawals of Filed Notices of Federal Tax Liens, which will be recorded with the County Auditor, Clark County, WA, and the Department of Licensing, Olympia, WA where the original Notices of Federal Tax Liens were filed. We've enclosed copies of the withdrawal forms for your records.

If you have any questions, please contact the person whose name and telephone number are shown at the top of this letter.
