We have approved your request to pay your taxes in installments. Your first payment of \$650.00 is due on 28th of June, 2008. You agreed to make future payments of \$650.00 on the 28th of each following month until you have paid the full amount you owe.

You also agreed to increase (or decrease) your monthly payment as follows:

Date of increase (or decrease)	Amount of increase (or decrease)	New installment amount
11/28/2008	-450.00	200.00
05/28/2009	450.00	650.00

The amount you owe as of 06/09/2008 is \$6,610.76. This amount does not include all accrued penalties and interest. We will charge penalties and interest until you pay the full amount you owe, because you didn't pay your total tax when it was due.

Please be sure to send your monthly payments early enough for them to reach us by the due date. Print your social security number or employer identification number clearly on your check or money order. If you change your address, please send your new address with your next payment.

Note: If the IRS is charging backup withholding on any of your accounts, it will continue. Having an installment agreement doesn't interrupt backup withholding.

Although we have established an installment plan for you, we must protect the government's interest. Therefore, a Notice of Federal Tax Lien
