Dear Taxpayer:

I reviewed your request for an adjustment of the penalty charges and find a partial abatement of the penalty is recommended. This letter is your notice that your request for penalty adjustment is partially denied.

You will find the reason for my decision at the bottom of this letter. If you do not agree with this finding, your next level of appeal would be to file a petition with the Court. You may do this now by filing a claim for refund on the enclosed form after you pay the penalty charges (if not already paid). To avoid additional interest, the balance due should be paid as soon as possible. You should request in writing that your claim for refund be immediately disallowed. You will then be issued a notice of disallowance to bring suit in the United States District Court having jurisdiction, or in the U.S. Court of Federal Claims.

If you have any further questions on this matter, please call me at the telephone number shown above.

Sincerely,
[REDACTED]

Reason for Decision: The failure to deposit and failure to pay penalties will be abated by 50% because you have established reasonable cause to a certain degree for not depositing and paying the taxes timely.
