Dear Taxpayer:

Thank you for your inquiry dated Apr. 27, 2011.

We are removing the penalty, on the account shown above. However, in the future it is the taxpayer's responsibility to have procedures in place to ensure all returns are timely filed.

As a non-profit entity, you have responsibility to the general public to file timely returns because the Forms 990/990-EZ are open to public inspection. The requirement to file a timely return is not lessened due to the fact that you are exempt from federal income tax.
